

Template Week 7 – Host your website on GitHub

Student number: 590173

Domain name (URL) of your website on GitHub:

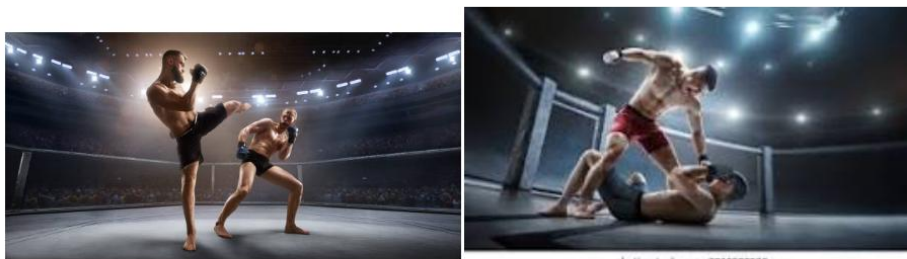

<https://mohammedsewari.github.io/moalsewari.git.io/>

Relevant screenshots + motivation:

MMA and Wrestling

I enjoy MMA because it requires intense focus and discipline. It's a great way to stay fit and learn technical skills!

With using github we were able to host our site that we just created to the World Wide Web for free and efficiently.

Ready? Save this file and export it as a pdf file with the name: [week7.pdf](#)
